Hello Madson,

I reviewed the proposed changes and one comment we have is the odor from a manufacturing facility is not as strong/potent as from cultivation. The Air Quality Mitigation requirements for manufacturing should be less than what is required for cultivation.

Also, I would hope that the business fees the city applies to a cannabis business are not punitive and fall in line with other business license fees in the city.

Enjoy your weekend!

Best,
Colleen

Subject: REQUEST FOR COMMENT -- Title 5 Amendments (Proposed Ordinance)

Good Afternoon,

Please review the attached request for comment. We are proposing an ordinance generally amending Title 5, Missoula Municipal Code with regard to the new processes for Cannabis Licensing. Attached is the Agency Memo and a current Ordinance Draft (Doc & PDF). Please send your comments directly to me by **Friday, June 17, 2022**. Let me know if you have any questions. Thank you.

Warmly,
