Subject:	Oppose the Proposed Rezoning in Grant Creek
Date:	Wednesday, July 22, 2020 9:58:46 AM

I support existing zoning at 2920 Expo Parkway due to multiple safety and overcrowding issues. I bought my townhouse because of the quiet area. This would dramatically increase traffic and noise in my neighborhood.

In my mind not a good image by the Elk Foundation that is located here. Keep this area a noticeable wildlife and refuge area that thousands of visitors visit every year.

Warm regards,
Susan
