Hi Cassie,

Thank you for giving me the opportunity to comment on the proposed Hellgate Village East Townhome Exemption Development.

I appreciate the comprehensive information and map package you sent to me explaining the project and providing all of the information needed to participate and comment.

I own the house at 2914 Dublin Street (which is just one house away from the proposed development. I have no objections to the Hellgate Village development as proposed. I would like to see more open space within the development if that could be possible.

Thanks again for giving me the opportunity to comment.

Best regards,

Nicholas Bailey
