

City of Missoula, Montana
Item to be Referred to City Council Committee

Committee: Public Works

Item: Professional Services Agreement with Territorial Landworks, Inc. for the East Pine Street Water Main Replacement Project

Date: September 19, 2019

Sponsor(s): Logan McInnis

Prepared by: Lori Hart

Ward(s) Affected:

- | | |
|--|---------------------------------|
| <input checked="" type="checkbox"/> Ward 1 | <input type="checkbox"/> Ward 4 |
| <input type="checkbox"/> Ward 2 | <input type="checkbox"/> Ward 5 |
| <input type="checkbox"/> Ward 3 | <input type="checkbox"/> Ward 6 |
| <input type="checkbox"/> All Wards | <input type="checkbox"/> N/A |

Action Required:

Approve a professional services agreement with Territorial-Landworks, Inc. for engineering-related services on the East Pine St Water Main Replacement Project.

Recommended Motion(s):

I move the City Council: Approve and authorize the Mayor to sign a professional services agreement with Territorial Landworks, Inc. for engineering-related services on the East Pine St Water Main Replacement Project at a total cost not to exceed \$67,518.00.

Timeline:

Referral to committee:	September 23, 2019
Committee discussion:	September 25, 2019
Council action (or sets hearing):	N/A
Public Hearing:	N/A
Deadline:	N/A

Background and Alternatives Explored:

Work under this agreement includes preliminary project assessment, planning, and design; field work and surveying; and Department of Environmental Quality approvals and submittals, bidding, and construction administration services.

Construction on this project will involve replacing approximately three blocks of 12-inch kalamein pipe installed in 1914 on Pine and Jefferson. The 12-inch main in Pine St will be replaced with 24-inch main giving us better east-west transmission capacity in this area. This project will also include a block of service swaps on Spruce Sts that will eliminate a 6-inch main dating back to 1914.

Financial Implications:

Costs will be paid from the Water Fund.
