Background and Alternatives Explored:

With the passing of the November 2018 Open Space Bond and the pending adoption of the 2019 Open Space Plan, MMC 12.56 required updating. The proposed updates includes updates to definitions, adds review of certain 2018 Open Space Bond fund capital projects by the Open Space Advisory Committee, provides appointment of up to three OSAC members by the Mayor, and changes the requirements for conversion or diversion of open space lands.
