**Background and Alternatives Explored:**

The Missoula Fire Department (MFD) has been attempting to fulfill the need to enhance our community responses with a UTV. MFD responds in many recreational areas for medical, technical rescue and fire responses. Firehouse subs is a soon to be (currently under construction on N Reserve St.) new business in Missoula which allowed us to pursue this grant. Please see attached documents from Firehouse subs. The foundation will await for approval from our City Council. Once approved, firehouse subs has elected to submit funding, via ACH, to our organization for us to directly purchase the equipment per your approved grant request, and the attached approved quote. The ACH transfer will take approximately three weeks to complete. Please add the owner of Firehouse Subs Les Kleinman email [les.kleinman@firehousesubs.com](mailto:les.kleinman@firehousesubs.com) to join in our virtual meeting for the approval of the grant.

**Financial Implications:**

Firehouse Subs Public Safety Foundation has awarded MFD the set value of \$34,578.00.  
There will be no additional cost to the City of Missoula
