<input type="checkbox"/> Ward 2	<input type="checkbox"/> Ward 5
<input checked="" type="checkbox"/> Ward 3	<input type="checkbox"/> Ward 6
<input type="checkbox"/> All Wards	<input type="checkbox"/> N/A

---

**Action Required:**

No Action Required – Informational Only

**Recommended Motion(s):**

I move the City Council: No Recommended Motion – Informational Only

**Timeline:**

Referral to committee:	August 9, 2021
Committee discussion:	August 11, 2021
Council action (or sets hearing):	N/A
Public Hearing:	N/A
Deadline:	N/A

**Background and Alternatives Explored:**

The Montana Department of Transportation (MDT) would like to inform the Missoula City Council of a potential for the Beartracks Bridge Project to experience several night closures. These closures would occur to pour concrete for the deck between spans 3-5 sometime in September between 10pm and 7am. Due to current load restrictions, closures might not be possible. The pouring of concrete for all other spans will not require closure of the existing structure and there will be minimal traffic impact. These 'other' concrete pours will start at approximately 2am and be completed by 10am the next morning. The pouring of concrete at night is necessary due to the ambient temperature requirements of the contract.

Big Sky Public Relations will be notifying the public about these night pours. Notification will be added to the weekly radio, text, and email updates.

**Financial Implications:**
