What is your interest in
serving on this board,
commission, or
committee?

I'd like to start engaging more with local politics and as young
person so that I can learn and progress. I also feel as a 23 year
old I feel the constant an persistent threat of what the results of
climate change that I'll experience in my lifetime, I'm passionate
about the topic and feel like I can make some small amount of
change.

Do you have any
special knowledge,
interest, or experience
that would qualify you
for a position on this
board, commission, or
committee?

I've lived in Missoula my entire life, I know the history of this
town, the culture, and the roads. I've also volunteered with MCC
and I learned the value of conservation when it comes to our
designated wildernesses, and public lands, and how important it
is to protect those.
