Background and Alternatives Explored:

Ivy/Franklin/Park is designated as a Neighborhood Greenway and this project currently ranks 8 out of 90 CIP projects.

The project includes constructing curb and sidewalk where none exists, reconstructing broken, deteriorated, and hazardous sidewalk, ADA compliant improvements, constructing curb bulb outs and traffic calming circles at certain intersections, and enhancements at Plymouth/Mount/Park intersection.

Through the Public Works and Mobility SOQ from a couple months ago we selected five consultant firms to complete transportation projects. IMEG was one of these five firms.

Financial Implications:

The funding for this \$130,150.00 contract is BaRSAA and/or Local Option Fuel Tax (LOFT).
