

City of Missoula, Montana
Item to be Referred to City Council Committee

Committee: Public Works

Item: Noise Ordinance Variance for night work on Mount Ave.

Date: August 13, 2021

Sponsor(s): Andrew Schultz

Prepared by: Ashley Strayer

Ward(s) Affected:

<input type="checkbox"/> Ward 1	<input type="checkbox"/> Ward 4
<input type="checkbox"/> Ward 2	<input type="checkbox"/> Ward 5
<input type="checkbox"/> Ward 3	<input type="checkbox"/> Ward 6
<input type="checkbox"/> All Wards	<input type="checkbox"/> N/A

Action Required:

Approve an exception to MMC Chapter 9.30, Noise Control, during the installation of the Mount Avenue Water Main Replacement Project across Brooks Street to allow for night work.

Recommended Motion(s):

I move the City Council: Approve an exemption to MMC Chapter 9.30 entitled "Noise Control," to permit relief in accordance with MMC Chapter 9.30.070, entitled "Permit for relief from noise level," from specified levels during the installation of a water main across Brooks Street.

Timeline:

Referral to committee:	August 23, 2021
Committee discussion:	August 25, 2021
Council action (or sets hearing):	August 30, 2021
Public Hearing:	N/A
Deadline:	August 30, 2021

Background and Alternatives Explored:

Prospect Construction is installing the water main for the Mount Avenue Water Main Replacement Project. This project requires the water main to be installed across Brooks Street in Mount and to connect to an existing main that runs north in Brooks Street. In order to minimize traffic interruptions and satisfy the MDT Permit, this work must occur at night. The current plan is to install the water main over the course of two nights and pave back the road during a third night. The dates would be September 7th and 8th, 2021. Tentative paving date is September 16, 2021.

Financial Implications:

N/A
