Background and Alternatives Explored:

One of the obligations that the City must fulfill as an entitlement city/participating jurisdiction in the Community Development Block Grant (CDBG) and Home Investment Partnerships (HOME) programs is the preparation of a Consolidated Annual Performance and Evaluation Report (CAPER) for the Program Year 2020. Missoula’s Program Year 2020 ran from July 1, 2020 through June 30, 2021. The plan outlines the goals and outcomes for projects funded by the Program Year 2020 entitlement fund allocations for the HOME and CDBG programs.

This year, we also included CDBG-CV funds allocated to the City of Missoula through the CARES Act of 2020 in order to help communities prepare for and respond to the COVID-19 global pandemic.

Financial Implications:

Public hearing only. No financial implications.
