What is your interest in serving on this board, commission, or committee? I have always loved art in public places and am proud of Missoula's enthusiasm for promoting art and artists. I have served on other boards and appreciate the opportunity to make a small contribution when I can.

---

Do you have any special knowledge, interest, or experience that would qualify you for a position on this board, commission, or committee? I'm not an artist, but my favorite undergrad courses were Art of Indians of North America and Art of Western Civilization. Those two courses opened the door to art for me and I have never stopped visiting museums and buying books to get a peek at artwork.  
Not sure whether that qualifies me for this board but I would sure like a shot at it.
