Background and Alternatives Explored:

In June of 2020, the Energy and Climate Team updated their bylaws so youth could participate as non-voting members of the team. Discussions within the work group determined the best approach was to adhere to the bylaws and have new members terms run through May 31 2021, with first priority to renew for one full term beginning June 1, 2021. A request for applications was issued on December 11, 2020 and closed on January 31, 2021. Applications were received from four candidates: Aviv Guscio, Ellis Walker-Keleher, Grace Gibson-Snyder and Virgil Jones.
