PLEASE PROVIDE THE FOLLOWING INFORMATION (You may attach a separate sheet to this form.)			
Brief resume of your educational background. I am an eighth grade student at C.S.Porter middle school in Missoula. I have always been a straight A student and my favorite subjects are history and science. I am also a student ambassador at my school and have worked in student goverment.			
Current Occupation: Middle school student		Current Employer: My parents!	
Previous Community Service: I have worked extensively doing community service in my 4-h club , working on projects like highway cleanups and nursing home visits. As a student ambassador, I have worked on many projects such as helping set up a fundraiser to help get water to the poor people of South Sudan.			
What is your interest in serving on this board, commission or committee? I have always had in interest in helping the environment though I onlyy truly relized this when I went to the youth climate strike last fall. Since then I have relized just how important it is to stop climate change for the good of future generations. If I were part of the youth team I would be most intrested in lowering the pollution caused by mills and mining projects.			
Do you have special knowledge, interest or experience that would qualify you for a position on this board, commission or committee? I do not have much experience in this field, though I do have lots of interest and enthusiasm. Through 4-h I have learned to be responsible and how to participate in meetings and community events.
