Action Required:

Approve the Public Service Agreement with IMEG for Scope of Services and Cost Estimate for Water Main Replacement for Mount Ave at Brooks Street and 14th Street located at the rail road tracks.

Recommended Motion(s):

I move the City Council: Approve and authorise the Mayor to sign a construction agreement with IMEG for Water Main Replacement on Mount and 14th at a cost not to exceed \$52,235.00

Timeline:

Referral to committee:	March 1, 2021
Committee discussion:	March 3, 2021
Council action (or sets hearing):	March 22, 2021
Public Hearing:	N/A
Deadline:	N/A

Background and Alternatives Explored:

Mount Avenue west of Brooks St has been identified as a segment of road that needs to be milled and overlaid. The water main under this section of road is old and is a pipe type susceptible to leaks and should be replaced before the paving project. The water main on 14th St under the railroad tracks is undersized and has a known leak so it has been shut off for a period of time. This project will bore a new water main so it makes sense to combine the two projects into a single design and construction contract to save money.

Financial Implications:

\$52,235.00 from the Water Enterprise Fund
