Background and Alternatives Explored:

Police Officers are hired as probationary officers and are on probation for a period of one year. Their training includes 12 weeks at the Montana Law Enforcement Academy (unless previously academy-certified) and they are then in our department's Field Training Officer program for up to 14 weeks. After this six-month training period, officers are "on their own" responding to calls, etc. and are supervised by Corporals and Sergeants in their day-to-day activities.

Once they have satisfactorily completed the academy, FTO program and six additional months of probationary status, they are referred to City Council for confirmation.
