Resolution No. \_\_\_\_\_

**Resolution Relating to \$912,000 Storm Water System Revenue Bonds, Consisting of \$465,867 Series 2021B (Taxable) and \$446,133 Series 2021C; Authorizing the Issuance and Fixing the Terms and Conditions Thereof**

BE IT RESOLVED by the City Council (the “City Council”) of the City of Missoula, Montana (the “City”), as follows:

ARTICLE I

AUTHORIZATION, FINDINGS, REPRESENTATIONS AND COVENANTS

Section 1.1 Authorization. Under Montana Code Annotated, Title 7, Chapter 7, Parts 44 and 45, as amended (the “Act”), the City is authorized to sell and issue its revenue bonds payable during a term not exceeding forty years from their date of issue, to provide funds for the reconstruction, improvement, betterment and extension of a storm water system or to refund its revenue bonds issued for such purpose; provided that the bonds and the interest thereon are to be payable solely out of the net income and revenues to be derived from rates, fees and charges for the services, facilities and commodities furnished by the storm water system, and are not to create any obligation for the payment of which taxes may be levied except to pay for services provided by the storm water system to the City.

Section 1.2 The System. The City, pursuant to the Act and other laws of the State, has established and presently owns and operates a municipal storm water system (the “System”).

Section 1.3 Original Resolution; Outstanding Bonds. Pursuant to the Act and a resolution duly adopted by the City Council on November 15, 2021 (the “Original Resolution”), the City has authorized the issuance of its Storm Water System Revenue Bond (DNRC Water Pollution Control State Revolving Loan Program), Series 2021A (the “Series 2021A Bond”), in the maximum principal amount of \$397,000. Once issued, the Series 2021A Bond will be payable from and secured by Net Revenues of the System in accordance with the provisions of the Original Resolution. Capitalized terms used and not otherwise defined herein have the meanings given such terms in the Original Resolution.

Section 1.4 The 2021BC Projects; Additional Bonds.

(a) The City has determined to undertake certain improvements to the System, including improvements to the Upper Gharrett and South Hills Drive drainage system, geotechnical inspection and recertification of the Missoula levee, and related improvements (collectively, the “2021BC Projects”). The 2021BC Projects are expected to cost approximately \$890,257, and the City has determined it is in the best interest of the System and its ratepayers to finance the costs of the 2021BC Projects and pay associated costs of the financing through the issuance of its Storm Water Revenue Bonds, consisting of \$465,867 Series 2021B (Taxable) (as further described in Section 2.1(a) hereof, the “Series 2021B Bond”) and \$446,133 Series 2021C (as further described in

Section 2.1(b) hereof, the “Series 2021C Bond” and, together with the Series 2021B Bond, the “Series 2021BC Bonds”).

(b) The City reserved the right under Section 10.3 of the Original Resolution to issue additional Bonds payable from the Revenue Bond Account of the Storm Water System Fund, on a parity as to both principal and interest with the Series 2021A Bond, if the Net Revenues of the System for the last complete fiscal year preceding the date of issuance of such additional Bonds have equaled at least 110% of the maximum amount of principal and interest payable from said Revenue Bond Account in any subsequent fiscal year during the term of the outstanding Bonds, on all Bonds then outstanding and on the additional Bonds proposed to be issued. The Series 2021A Bond is expected to be issued on December 8, 2021; however, for purposes of this analysis, it is treated as if the full principal amount of the Series 2021A Bond is outstanding. It is hereby determined that the City is authorized to issue the Series 2021BC Bonds in the aggregate principal amount of \$912,000 pursuant to Section 10.3 of the Original Resolution, with the Series 2021BC Bonds payable from and secured by the Net Revenues on a parity with the Series 2021A Bond.

Section 1.5 Authorization and Sale of Series 2021BC Bonds. First Security Bank of Missoula, Division of Glacier Bank (the “Original Purchaser”) has offered to purchase the Series 2021BC Bonds on the terms and conditions described herein and in the Series 2021BC Bonds. Such terms and conditions are determined to be advantageous to the City and the System, and this Council hereby determines that it is in the best interests of the City to sell the Series 2021BC Bonds in a negotiated sale to the Original Purchaser, as authorized by Section 7-7-4433 of the Act.

Section 1.6 Findings. All acts, conditions and things required by the Constitution and laws of the State, including the Act, in order to pledge the Net Revenues to the payment of the Series 2021BC Bonds, to make the Series 2021BC Bonds valid and binding special, limited obligations of the City in accordance with their terms and in accordance with the terms of this Resolution have been done, do exist, have happened and have been performed in regular and due form, time and manner as so required.

(c) Principal of and interest on the Series 2021BC Bonds shall be payable by check or draft of the Registrar mailed to the registered owner as such appears in the Bond Register as of the close of business on the 15th day (whether or not a Business Day) of the month immediately preceding each Payment Date; *provided* that the final installment of principal (whether at maturity or earlier redemption) plus interest shall be paid by the Registrar only upon presentation and surrender of the Series 2021BC Bonds at the principal office of the Registrar. The Registrar shall note in the Bond Register each principal payment on the Series 2021BC Bonds.

Section 2.2 Registration. The City hereby appoints the City Finance Director to act as bond registrar, transfer agent and paying agent for the Series 2021BC Bonds (the “Registrar”). The City reserves the right to appoint a bank, trust company or fiscal company as successor bond registrar, transfer agent or paying agent, as authorized by the Model Public Obligations Registration Act of Montana (the “Registration Act”), but the City agrees to pay the reasonable and customary charges of the Registrar for the services performed. This Section 2.2 shall establish a system of registration for the Series 2021BC Bonds as defined in the Registration Act. The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Bond Register. The Registrar shall keep at its principal office a Bond Register in which the Registrar shall provide for the registration of ownership of Series 2021BC Bonds and the registration of transfers and exchanges thereof. The Bond Register will show that the original owner of the Series 2021BC Bonds is First Security Bank of Missoula, Division of Glacier Bank, as the Original Purchaser thereof.

(b) Transfer. The Series 2021BC Bonds may be transferred in whole and not in part. Upon surrender for transfer of the Series 2021B Bond or Series 2021C Bond duly endorsed by the owner or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the owner thereof or by an attorney duly authorized by the owner in writing, the Registrar shall authenticate and deliver, in the

name of the designated transferee or transferees, a new Series 2021B Bond or Series 2021C Bond, as applicable, of a like aggregate principal amount, interest rate and maturity. The Registrar may, however, close the books for registration of transfer of the Series 2021B Bond or Series 2021C Bond or any portion thereof selected or called for redemption.

(c) Exchange. Whenever the Series 2021B Bond or Series 2021C Bond is surrendered by the owner for exchange, the Registrar shall authenticate and deliver a new Series 2021B Bond or Series 2021C Bond, as applicable, of a like aggregate principal amount, interest rate and maturity.

(d) Cancellation. The Series 2021B Bond or Series 2021C Bond surrendered upon any transfer or exchange shall be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When the Series 2021B Bond or Series 2021C Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Series 2021B Bond or Series 2021C Bond, as applicable, or separate instrument of transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owner. The City and the Registrar may treat the Person in whose name the Series 2021B Bond or Series 2021C Bond, as applicable, is at any time registered in the Bond Register as the absolute owner of such Series 2021B Bond or Series 2021C Bond, as applicable, whether such Series 2021B Bond or Series 2021C Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on such Series 2021B Bond or Series 2021C Bond and for all other purposes, and all such payments so made to any such owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability of the City upon the Series 2021B Bond or Series 2021C Bond, as applicable, to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of the Series 2021B Bond or Series 2021C Bond (except upon a partial redemption of the Series 2021B Bond or Series 2021C Bond pursuant to Section 2.03), the Registrar may impose a charge upon the owner sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Series 2021B Bond or Series 2021C Bond. In case the Series 2021B Bond or Series 2021C Bond shall become mutilated or be lost, stolen or destroyed, the Registrar shall deliver a new Series 2021B Bond or Series 2021C Bond, as applicable, of a like principal amount, number, interest rate and maturity in exchange and substitution for and upon cancellation of any such mutilated Series 2021B Bond or Series 2021C Bond or in lieu of and in substitution for any Series 2021B Bond or Series 2021C Bond lost, stolen or destroyed, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Series

2021B Bond or Series 2021C Bond lost, stolen or destroyed, upon filing with the Registrar of evidence satisfactory to it that the Series 2021B Bond or Series 2021C Bond, as applicable, was lost, stolen or destroyed, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. A Series 2021B Bond or Series 2021C Bond so surrendered to the Registrar shall be cancelled by it and evidence of such cancellation shall be given to the City. If the mutilated, lost, stolen or destroyed Series 2021B Bond or Series 2021C Bond has already matured or such Series 2021B Bond or Series 2021C Bond has been called for redemption in accordance with its terms, it shall not be necessary to issue a new Series 2021B Bond or Series 2021C Bond, as applicable, prior to payment.

### Section 2.3 Redemption

(a) Optional Redemption. The Series 2021BC Bonds are each subject to redemption at any time, at the option of the City, in whole or in part, at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date, without premium. Each partial prepayment must be in the amount of at least \$100,000 for the City to require the registered owner of the Series 2021B Bond or Series 2021C Bond, as applicable, to reamortize the debt service over the then-remaining term; otherwise, partial prepayments (amounts paid in excess of the semi-annual payments then owing) will be applied in inverse order of installments. Upon partial redemption and prepayment there shall be no need to exchange a new Series 2021B Bond or Series 2021C Bond, as applicable, for the unredeemed portion of the existing Series 2021B Bond or Series 2021C Bond, as applicable; provided that the amortization schedule attached as Schedule A to the form of the Series 2021B Bond or Series 2021C Bond, as applicable, shall be replaced with a revised debt service schedule reflecting the reamortization of the principal then outstanding in substantially equal semiannual installments of principal and interest or reflecting the prepayment applied in inverse order of principal installments.

(b) Notice of Redemption. The date of redemption and the principal amount of the Series 2021B Bond and/or Series 2021C Bond, as applicable, to be redeemed pursuant to Section 2.3(a) shall be fixed by the City Finance Director, who, if the Registrar is other than the City Finance Director, shall give notice thereof to the Registrar 45 days prior to the date set for redemption. The Registrar shall give notice, by email if acceptable to the owner of the Series 2021B Bond and/or Series 2021C Bond, as applicable, or by first class mail, postage prepaid, to the owner of the Series 2021B Bond and/or Series 2021C Bond, as applicable, at its address appearing on the Bond Register, of the principal amount of the Series 2021B Bond and/or Series 2021C Bond, as applicable, to be redeemed and the date on which payment will be made, which date shall be not less than 30 days after the date the notice was mailed or emailed. On the date so fixed, interest on the principal amount of the Series 2021B Bond and/or Series 2021C Bond so redeemed shall cease to accrue; however interest shall continue to accrue on any portion of the Series 2021B Bond or Series 2021C Bond not so redeemed.

Section 2.4 Execution and Delivery of Series 2021BC Bonds. The Series 2021BC Bonds shall be forthwith prepared for execution under the direction of the City Clerk and shall be executed on behalf of the City by the signatures of the Mayor and the City Clerk, provided that said signatures may be printed, engraved or lithographed facsimiles thereof. The seal of the City need not be imprinted on or affixed to the Series 2021BC Bonds. In case any officer whose signature or a facsimile of whose signature shall appear on the Series 2021BC Bonds shall cease to be such officer before the delivery thereof, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Series 2021B Bond or Series 2021C Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until a certificate of authentication on such Series 2021B Bond or Series 2021C Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each of the Series 2021BC Bonds shall be conclusive evidence that such bonds have been authenticated and delivered under this Resolution. When the Series 2021BC Bonds have been fully executed and authenticated, they shall be delivered by the Registrar to the Original Purchaser upon payment of the purchase price, and the Original Purchaser shall not be obligated to see to the application of the purchase price.

Section 2.5 Forms of Series 2021BC Bonds. The Series 2021B Bond shall be in substantially the form set forth in Appendix A-1 hereto (which is hereby incorporated herein and made a part hereof), with such appropriate variations, omissions and insertions as are permitted or required by the Resolution. The Series 2021C Bond shall be in substantially the form set forth in Appendix A-2 hereto (which is hereby incorporated herein and made a part hereof), with such appropriate variations, omissions and insertions as are permitted or required by the Resolution.

Section 2.6 Transcript Certification. The officers of the City are directed to furnish to the Original Purchaser of the Series 2021BC Bonds and to bond counsel certified copies of all proceedings and information in their official records relevant to the authorization, sale and issuance of the Series 2021BC Bonds, and such certificates and affidavits as to other matters appearing in their official records or otherwise known to them as may be reasonably required to evidence the validity and security of the Series 2021BC Bonds, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall constitute representations and recitals of the City as to the correctness of all facts stated therein and the completion of all proceedings stated therein to have been taken.

Section 2.7 Financial Reporting. Upon request of the Holder of the Series 2021B Bond and/or Series 2021C Bond, the City shall, not later than 270 days after the end of its fiscal year, make its audited financial statements available to such Holder; provided that, if the audited financial statements are not available by such date, the City shall make the audited financial statements available to the Holder within 10 days after the audited financial statements are available.

#### ARTICLE IV

#### SECURITY FOR THE SERIES 2021BC BONDS

The Series 2021BC Bonds are issued as additional Bonds under Sections 10.1 and 10.3 of the Original Resolution and shall, with the Series 2021A Bond and any additional Bonds issued on a parity therewith, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Revenue Bond Account of the Fund, without preference or priority, all as provided in the Resolution. The Series 2021BC Bonds are not secured by the Reserve Account. The City shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered owners from time to time of the outstanding Bonds and the Series 2021BC Bonds. For the avoidance of doubt, the covenants made by the City in the Original Resolution for the benefit of Bondholders inure to the benefit of the Holder of the Series 2021BC Bonds to the same extent and with the same force and effect as if set forth herein.

#### ARTICLE V TAX MATTERS

Section 5.1 Use of 2021BC Projects and System. The 2021BC Projects will be owned and operated by the City and available for use by members of the general public on a substantially equal basis, and the City shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2021BC Projects or the System or security for the payment of the Series 2021C Bond which might cause the Series 2021C Bond to

be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 5.2 General Covenant. The City covenants and agrees with the owners from time to time of the Series 2021C Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2021C Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2021C Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 5.3 Arbitrage Certification. The Mayor, the City Finance Director and the City Clerk, being the officers of the City charged with the responsibility for issuing the Series 2021C Bond pursuant to this Supplemental Resolution, are authorized and directed to execute and deliver to the Original Purchaser a certificate in accordance with the provisions of Section 148 of the Code and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2021C Bond, it is reasonably expected that the proceeds of the Series 2021C Bond will be used in a manner that would not cause the Series 2021C Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 5.4 Arbitrage Rebate Exemption. The City hereby represents that the Series 2021C Bond qualifies for the exception for small governmental units to the arbitrage rebate provisions contained in Section 148(f) of the Code. Specifically, the City represents:

(a) Substantially all (not less than 95%) of the proceeds of the Series 2021C Bond (except for amounts to be applied to the payment of costs of issuance) will be used for local governmental activities of the City.

(b) The aggregate face amount of all “tax-exempt bonds” (including warrants, contracts, leases and other indebtedness, but excluding private activity bonds) issued by or on behalf of the City and all subordinate entities thereof during 2021 is reasonably expected not to exceed \$5,000,000. To date in 2021, the City has issued no tax-exempt bonds except for its \$1,886,105 Subordinate Lien Tax Increment Urban Renewal Revenue Bond (Front Street Urban Renewal District), Series 2021 and expects to issue the Series 2021A Bond.

If notwithstanding the provisions of paragraph (a) of this Section 5.4, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Series 2021C Bond, the City hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

Section 5.5 Information Reporting. The City shall file with the Secretary of the Treasury, not later than February 15, 2022, a statement concerning the Series 2021C Bond containing the information required by Section 149(e) of the Code.

Upon partial redemption and prepayment there shall be no need to exchange a new Series 2021B Bond for the unredeemed portion of the existing Series 2021B Bond; provided that the amortization schedule attached as Schedule A to the form of the Series 2021B Bond shall be replaced with a revised debt service schedule reflecting the reamortization of the principal then outstanding in substantially equal semiannual installments of principal and interest or reflecting the prepayment applied in inverse order of principal installments.

The Series 2021B Bond, including interest and any premium for the redemption thereof, is payable solely from the Net Revenues pledged for the payment thereof and does not constitute a debt of the City within the meaning of any constitutional or statutory limitation or provision.
