What is your interest in serving on this board, commission or committee? As a degreed librarian, I know how important a public library is to a community. We have a wonderful library here in Missoula and it would be an honor to assist this entity in moving forward and continuing to serve our community.	
Do you have special knowledge, interest or experience that would qualify you for a position on this board, My commission or committee? My librarian background would be useful in this position, I believe. I am a former employee of Missoula Public Library. I have also served as Montana's Legislative Librarian and the State Law Librarian for the Montana Supreme Court. Additionally, my background and work as an attorney helps me understand the legal side of library issues. I have been, and continue to be very active in the Montana Library Association (MLA). I currently chair three committees for MLA and have served as the President of MLA for two terms.
