Background and Alternatives Explored:

David Morris was appointed to serve as an alternate on the Energy and Climate Team with a term of January 1, 2021, through July 31, 2022. The last meeting Mr. Morris attended was March 11, 2021 and had not provided notice to the team chair that he would not be able to attend meetings, and not responded to communication from the City Clerk office, nor from the chair. The Energy and Climate Team bylaws state if a member misses three consecutive regularly scheduled meetings during the year without notice, the Energy and Climate chair may notify City Council and request review the member’s ability to serve as a productive and functional member of the Team. The City Clerk office notified Mr. Morris via email and USPS on December 8, 2021 of this discussion and provided contact information should he decide to resign or express interest in continuing to serve.
