Background and Alternatives Explored:

The facilities division reissued the Municipal court remodel request for proposals on November 15, 2021, after receiving no bids on the first attempt. Bids were due December 21, 2021. This remodel will provide the addition of a third court room in the current Municipal Court space in City Hall to accommodate additional elected Judges. D. Lower construction was the only Bid received.

Financial Implications:

The Municipal court remodel was included in the FY22 Community Improvement Program (CIP.) This bid falls under the total in our budgeted CIP.
