Date: Wednesday, November 10, 2021 10:11:00 AM

Dear Mr. Dehnert and Mr. Oberweiser:

Thank you for your October 25, 2021, letter requesting U.S. Fish and Wildlife Service comment on the River View Subdivision. The proposed development consists of a 19-lot major subdivision located adjacent to the south of River Road between Carter Court and Lafray Lane, Missoula, Missoula County, Montana. The site is currently used for one single family home and is a total of 2.38 acres.

The U.S. Fish and Wildlife Service reviewed your letter. Based on the information provided, we have no comments regarding federally listed or proposed threatened or endangered species or other trust species. Additional information regarding listed species that may occur within the project footprint may be obtained using the IPaC project-planning tool, which streamlines the USFWS environmental review process at <https://ecos.fws.gov/ipac/>.

Thank you for the opportunity to comment. If you have any questions or comments about this correspondence please contact Karen Newlon at karen_newlon@fws.gov or 406-430-9010.

Sincerely,

Jacob M. (Jake) Martin
