Joe,

Thank you for the opportunity to review this project. Because of the proximity of Lafray Park, and the non-motorized easement on the southern property, we are interested in following this project, and seeing the further designs. At this time, we do not have any additional comments.

Thanks

Neil

Subject: River View Subdivision - Agency Review

Dear Agent:

Missoula's Development Services has identified you as being an agency that may have important comments to make about the proposed major subdivision, River View Subdivision. Your comments are important to us.

On October 22nd, 2021, Development Services posted the River View Subdivision link online for you review. The purpose of this agency review is twofold: 1) For agencies to determine if the subdivision submittal packet has enough information or is sufficient for review; 2) For agencies to provide comments regarding the proposal on anything that should be addressed before the project is submitted for governing body review. Thus, it is important that you send us your comments or let us know if you have no comments.

You will have 12 working days from today, October 25, 2021, to review. Please reply and send any comments directly to joseph.m.dehnert@imegcorp.com, danny.g.oberweiser@imegcorp.com by end of the day, **November 10, 2021**, and copy eidama@ci.missoula.mt.us. Development Services will then have three days after the agency review deadline to complete their sufficiency review. Making the end of River View Subdivision sufficiency review November 16, 2021.

The link to the subdivision application for review is <https://www.ci.missoula.mt.us/2837/River-View-Subdivision-and-Rezone>.

If there is anything we can do to facilitate your review, please reach out to us. Thank you in advance for your comments.
