Hi Alex this is Bonnie Malcolm regarding the proposed subdivision on River Road and the petition I evidently neglected to date. I'm so sorry. I believe I sent that on or about February 22nd if you would add that for me I would really appreciate it. Thanks so much. Bonnie Malcolm

Good Morning,

Thank you for the email. I will hold off on uploading all petitions until the City Council Public Hearing but I have a slide in my presentation today that will go over the number of petitions received, etc. so the Land Use and Planning Committee is aware. Is Barbara planning to mail in the letter? If so, we will scan and upload it once received. All previous documentation submitted (i.e. public comment through Engage Missoula, letters, and email) for the Planning Board will still be available for the Land Use and Planning Committee.

There were two petitions I received, one from Nancy Low and the other from Bonnie Malcom, that did not include a date the petition was signed. I am unsure if either of them are included on this email chain. With permission, I am able to add the dates on the document. If this is what they would like me to do, please let me know the date that needs to be added. Alternatively they can just submit a different petition if that is the preferred option.

Please let me know if there are any additional questions.

Best,

Alex

Hello Alex – I am writing to ask if the many petitions (13 from all households on Carter Court and others from the opposite side of the development) sent to you for the Planning Committee public hearing in February have been sent to the Land Use and Planning Committee, who I understand are meeting tomorrow. Also, Barbara Barmeyer wrote a letter we would like to have sent to them as well as the letter Shirley Kinsey wrote that was part of the official record for the 2/15/2022 meeting.

I appreciate your assistance. Thank you.
