**Subject:** River road Development

This is what river road looks like Saturday afternoon next to and across the street from the anderson property. How could you vote for zoning change that will add 38 cars to this mess. We have never been able to get the city to get all these cars off the street. Turning left onto river road from carter court is taking your life in your hands. Grade school children walk in the street around this mess coming home from school. Infrastructure must be addressed before adding all these ten houses and jeopardizing people's lives. Thanks you for reading this. Nancy low. 619 carter court
