I apologize for the delay in sending this. The City provided me incorrect email contact information. You should've still received a letter in the mail. Below is the link to the subdivision for review.
Thank you,

Subject: Greenough Heights Subdivision and Rezoning First Agency Review

Dear Agent:

Missoula's Development Services has identified you as being an agency that may have important comments regarding the proposed major subdivision, Greenough Heights Subdivision. Your comments are important to us.

On December 22, 2021, Development Services posted the Greenough Heights Subdivision link online for you review. The purpose of this agency review is twofold: 1) For agencies to determine if the subdivision submittal packet has enough information or is sufficient for review; 2) For agencies to provide comments regarding the proposal on anything that should be addressed before the project is submitted for governing body review. Thus, it is important that you send us your comments or let us know if you have no comments.

You will have 12 working days from today, December 23, 2021, to review. Please reply and send any comments directly to anna.m.vickers@imegcorp.com, by end of the day, **January 12, 2022**, and copy DeGrandpreD@ci.missoula.mt.us. Thus ensuring that development services can complete their agency deadline review of January 18, 2021.

The link to the subdivision application for review is :
