Hello Dave

After discussing the situation with Mitch at Beach, we feel that any adjustments to our bus stops can be evaluated and adjusted as necessary once the project commences.

Thanks!

Hi Terry,

Attached please find a vicinity map and copy of the preliminary subdivision plat for the Greenough Heights Subdivision. I am reviewing this proposal for the City of Missoula and want to make sure school busses will be able to pick up and drop off kids safely. Any insight you can provide would be appreciated.

Thank you.
