10:45 - 11:00 Charlene Magdalik Interview

11:05 - 11:20 Jennipha-Lauren Nielsen Interview

Heidi West - These interviews are set to start in 10 minutes, so we will have a short recess until 10:03.

Marty York has withdrawn her application at this time.

Matts Larson was scheduled have the first interview, but was not present. Sandra Vasecka said she would reach out and call him.

Amber Sherrill said since it has not been the normal process, she said she is not sure it would be fair to do it for just one candidate.

Stacie Anderson - I agree with Amber. They have a notification through the Clerk's office and that is the process we have always followed.

Sandra Vasecka - We have followed up with interviewees, I feel he should have an opportunity to speak.

Matts Larson arrived at the meeting and his interview began. Please see the video recording of the meeting for answers to all interview questions. He was asked to turn on his camera, as he was not only on the phone, but he declined and said he could not turn it on at this time.

Charlene Magdalik did not arrive for her interview. Sandra Vasecka attempted to call her and it was not a working number.

There was discussion regarding calling candidates and developing a process for those who do not arrive at their interview.

Jennipha-Lauren Nielsen was interviewed.

Amber Sherrill - I am very impressed by Jennipha. She has put a lot of thought into how we can improve. She clearly has the background for this. Clearly it would be a great addition to the committee. I would like to make the motion.

Sandra Vasecka - Amber said basically everything I wanted to say. She will be a huge asset to both this Board and the City.

Heidi West - I was super excited to meet her after reading all the resumes. Her interview did not disappoint at all.

There are no members of the public in attendance.
