What is your interest serving on this Board, Commission or Committee?

I'm a citizen of Missoula, I walk my child to Franklin school and bike to work, while Missoula is a relatively cyclist and pedestrian friendly town, there is certainly room for improvement.

What special knowledge, interest, or experience do you possess that would qualify you for a position on this Board, Commission or Committee?

I work with civil engineers, space and land planners, landscape architects and am familiar with project management that has given me the ability to listen and address concerned parties to make things happen.
