Subject: Heron's Landing
Date: Tuesday, April 26, 2022 2:38:54 PM

Greetings Alex Eidam:

I appreciate the recent letter concerning Heron's landing development. I have several concerns. First, the massive amount of dust happening most days when work is being done. Dust abatement would be sincerely appreciated by those of us in the adjoining neighborhood. Second, My property is on Filly Lane and development there will be in the future. However, currently there is a number of acres covered with Spotted Nap Weed...a noxious weed. Several of us have called the county office to report the problem. The man in charge of weed control responded.... he did not know how to find out who owns the property. (REALLY???) Mowing the area would help knock down some of the plants and stop some of the spreading.

I would sincerely appreciate these matters being considered.
