Thanks for the notice, Alex. I'm sure somebody has considered how the construction planned for George Elmer Drive this year might affect this request. I don't know enough about it to know whether it would or would not constitute a changed condition that needs to be considered. Nor do I know of anything else that should be considered as a changed condition, although others on the Captain John Mullan Neighborhood Council might know more than I do.

Subject: Phased Development Review - Heron's Landing Phase W2 and E1 Agency Review

Good Morning,

Attached is an agency memo requesting comment on the Phased Development Review for Heron's Landing Phase W2 and E1. Please have all comment submitted by April 18th.

Let me know if there are any questions.

Thanks,

Alex
