I move the City Council: Adopt a resolution establishing procedures and parameters for hybrid public board and commissions meetings.

Background and Alternatives Explored:

As boards and commissions return to meeting in person, the city wants to offer hybrid meeting options so members of the public can continue to attend meetings virtually as well as in person and for board members to participate virtually under certain circumstances.

The City Council considered best practices and included provisions in recent amendments to Council rules. This resolution applies those procedures and parameters for hybrid board and commission meetings.
