Final Consideration	N/A
Deadline:	N/A

Background and Alternatives Explored:

Since FY18, agreements for emergency repair services have been executed between contractors and the City of Missoula for Missoula Water to utilize upon emergency situations. For FY23, the City of Missoula Utilities would like to utilize Western Excavating, Knife River and Paulson Electric for any emergencies that will present itself during FY23.

Sole Source Agreements for all three companies have been approved and signed by City administration for FY23.

Financial Implications:

Storm Water Utility Enterprise Fund, Wastewater Enterprise Fund, and the Water Enterprise Fund
