Public Hearing: July 25, 2022

Recommended motion:

Deadline: July 25, 2022

Background and Alternatives Explored:

Homeword acquired Creekside Apartments in 2017 to ensure the 161 apartment homes remained available to households with incomes at or below 80 percent of the Area Median Income, which is equivalent to \$48,960 for a household of four. Homeword is applying for 4 and 9 percent tax credits to facilitate necessary upgrades and rehabilitation to the property in order to continue offering safe, habitable and affordable housing to Missoulians with limited incomes. The Qualified Allocation Plan (QAP) which governs the allocation process for Montana Housing Credits requires applicants to hold a public hearing in partnership with local government to share plans and hear public comment.

Financial Implications:
