

Energy & Climate Team-Youth
Team Members
Interview Questions

1. What is your interest in serving on the Energy and Climate Team?
2. Describe your familiarity with the City's Greenhouse Gas and Energy Conservation Plan or other City efforts with climate change?
3. Do you have any personal or educational experience that relates to climate change, renewable energy, or energy efficiency?
4. What issues do you consider important for the team to consider?
5. Can you provide an example of a time when you have had to address conflict and what were the results of your efforts?
6. How would you describe the level of urgency associated with addressing climate change? How do you talk with people who have a different sense of urgency?
7. The E&C is currently scheduled to meet monthly at a time designated by the committee. The meetings are set for the second Thursday of the month, from 12:00 to 2:00. Do you have the time to attend meetings and do the research necessary to participate in committee activities?
