Background and Alternatives Explored: In June of 2020, the Energy and Climate Team updated their bylaws so youth could participate as non-voting members of the team. Four youth were appointed to the Team in February 2021, with terms ending May 31, 2021. One youth member is unable to continue to serve due to graduation from high school, which is stated in the by-laws. The other three youth, Aviv Guscio, Virgil Jones and Ellis Walker-Keleher, are interested in continuing to serve. Council representative Amber Sherrill, the Team Chair Chris Rowe, Vice-Chair Jeremy Flesch and the rest of team support the re-appointment of Aviv Guscio, Virgil Jones and Ellis Walker-Keleher due to their impressive participation thus far.
