Briefly describe your educational background:	I have a Liberal Arts (Liberal Studies) degree from the University of MT.
List of community service experience:	I've worked with numerous organizations over the years. Most recently I started an organization called East Missoula United with a few other women out here in East Missoula (where we live). *hopefully establishing non-profit status in 2021* I've volunteered with Meals on Wheels, the ZACC (teaching crafting classes), Big Brothers Big Sisters, Soft Landing, Hospice for Missoula, as well as many fundraising efforts for many organizations in our community (Missoula Youth Homes, Missoula Food Bank, Make A Wish MT, & more). I was an Americorps Vista doing Elder Abuse Prevention with the Western Montana Chapter back in the early 2000s.
What is your interest in serving on this board, commission, or committee?	I love public art. It speaks to the masses. It unites people during a time when unity is more complicated than it has ever been. It is the best form of expression. I understand the efforts of the Public Art Committee can span the county. I live outside of Missoula City Limits (in East Missoula) and we really need some public art out here. We've been dreaming/scheming on how to paint our big water tower.
Do you have any special knowledge, interest, or experience that would qualify you for a position on this board, commission, or committee?	I owned a toy shop, in Missoula for 10 years, (Walking Stick Toys) and we taught many many art classes for kiddos. I don't consider myself much of an artist, but I have collaborated on many projects through the years. I can think back to painting a mural in the park near the Holiday Inn Parkside (with kids) before I had any kids of my own. I think supporting this vast art community is of the utmost importance right now. I love organized efforts and feel I can play a beneficial role to the Public Art Committee.
