3.1 Construction Agreement with Western Interstate for the deconstruction of Wooden Images building at 1359 West Broadway

Logan McInnis, Deputy Director of Public Works Utilities,

The City acquired the Wooden Images building at 1359 West Broadway in February 2021, which is adjacent to the Missoula Water building. The City looked at different ways to use this building and found it is not feasible. The current option is to deconstruct the building and retain the property. Western Interstate is the general contractor and hired a deconstruction company. The city went out to bid and received three bids; Western Interstate was the lowest bid.

Moved by: Heidi West

Approve and authorize the Acting Mayor to sign a construction agreement with Western Interstate for the deconstruction of the Wooden Images building at a cost not to exceed 74,815.00
