Background and Alternatives Explored:

One of the obligations that the City must fulfill as an entitlement city/participating jurisdiction in the Community Development Block Grant (CDBG) and Home Investment Partnerships (HOME) programs is the preparation of a Consolidated Annual Performance and Evaluation Report (CAPER) for the Program Year 2021. Missoula's Program Year 2021 ran from July 1, 2021 through June 30, 2022. The plan outlines the goals and outcomes for projects funded by the Program Year 2021 entitlement fund allocations for the HOME and CDBG programs, and seeks public comment.

Financial Implications:

Public hearing. No financial implications.
