6. Reporting database will be supported per Accela's standard SaaS Service Level Agreement ("SLA"). 7. You agree to work in good faith with Accela to mitigate any performance issues that might arise from overuse or abuse of the Reporting Database.
8. Accela reserves the right to interrupt any session that is running against the Reporting Database if, in Accela's sole discretion, the session is deemed to impact the availability or stability of the system as a result of long remote queue length or replication latency to the Reporting Database.
