<p>What is your interest in serving on this board, commission or committee?</p> <p>The city cemetery provides a significant resource to its community and offers a historical foundation of the community. Missoula's city cemetery exemplifies a beautiful area of green space, notable historical associations and a resting place for those who have passed and families experiencing loss. My personal goal(s) of serving on the city cemetery promotes ideals I am impassioned of preserving and promoting: dignified area of rest for the deceased and a legacy of honoring our past and continue an honorable adoration for dignity in life and in death.</p>			
<p>Do you have special knowledge, interest or experience that would qualify you for a position on this board, commission or committee?</p> <p>I previously have served on the Missoula Historical Preservation Board. This experience provided me a tremendous amount of knowledge, background and information of the intricacies of city board(s) and the necessity of cooperation amongst city and state agencies. I enjoyed my tenure on this board and firmly believe I should serve my city in its development and operation of its civic functions. Hence, serving on the cemetery board provides me an avenue of "giving back" and "paying forward" for the progress of Missoula and our community.</p>
