Per Section 7-8-101 MCA, to sell or transfer surplus property to another political subdivision the City must first pass a resolution of intent to do so and provide public notice per 7-1-4127 MCA (see excerpt below):

(2) A city or town, upon first passing a resolution of intent to do so and upon giving notice of the intent by publication as provided in 7-1-4127, may sell or trade to any county or political subdivision, as the interests of its inhabitants require, any property, however held or acquired, that is not necessary for the conduct of the city or town business without an ordinance, public notice, public auction, bids, or appraisal. Proceeds, if any, must be distributed according to law. The transactions must be made by resolution of the councils or commissions involved and entered in the minutes of the regular or special meetings.

Financial Implications: Mako Fill Station \$2,500.00
