Action Required:

Approve and authorize the Mayor to sign a Purchase Agreement with Western States Automation for the Bioreactor Air Actuator Replacement.

Recommended Motion(s):

I move the City Council: Approve and authorize the Mayor to sign a Purchase Agreement with Western States Automation for the Bioreactor Air Actuator Replacement, not to exceed \$26,856.00.

Timeline:

Committee discussion:	November 30, 2022
Council action (or sets hearing):	December 5, 2022
Public Hearing (if required):	N/A
Final Consideration	N/A
Deadline:	N/A

Background and Alternatives Explored:

This Capital Improvement Project is recommended in the 2019 Wastewater Facility Plan. The original actuators were installed as part of the 2004 plant upgrade. As part of our capital improvements plan, the bioreactor air valve actuators were identified for replacement due to repair vs replacement cost ratio increasing to the point where repair is no longer practical.

Financial Implications:

\$26,856.00 from Wastewater Enterprise Fund
