**Subject:** New subdivisions Stage 2

**CAUTION:** Email originated outside of the organization.

Jason and Cory -

In an effort to not review the same material more than once, we will not be reviewing Stage 2 submittals for new subdivisions. Stage 2 documents for new subdivisions are contained within the Agency Sufficiency Review as part of subdivision approval.

However, subsequent phases of a phased subdivision could submit Stage 2 if the consultant feels a preliminary design review is wanted or needed.

Thanks,

**Troy Monroe PE** | he/him/his | City Engineer for Development Review
