Background and Alternatives Explored:

To create an exemption to Missoula's current Livestock ordinance for 4H and FFA students to increase the participation of urban youth in agricultural educational opportunities and the Missoula County Fair. This is in line with several community goals including supporting local agriculture, increasing food security, and reducing the number of miles food products travel.

The ordinance update suggestions were presented to the Missoula City Council Animal Control board on November 2, 2022 and were supported with recommendations.

Financial Implications:
