Fort Missoula and Silver Park amplification permitted until 9:00pm Sunday – Thursday and until 10:00pm on Friday and Saturday***

Specific details of parks and requirements regarding amplified sound can be found in the Missoula Municipal Code, Title 12.40.065 (29).

Section 2.6 Use of Metal Detectors in Parks

It is the policy of the Missoula Parks and Recreation to permit the use of metal detectors in most City Parks so long as the activity results in no damage or loss to natural areas, highly maintained lawns, historical and archaeological sites. Specific areas where metal detectors are prohibited include undisturbed areas of Fort Missoula Regional Park that are within the historic landscape overlay, including but not limited to the 17 acre triangle parcel immediately west of Larchmont golf course, any area within the 82 acre parcel north of Fort Missoula Historical Museum, Parade Grounds, and Military Museum.

To regulate the use of Metal Detectors in parks, a Park Use Permit will be required with \$25 deposit (actual permit fee waived). Metal Detectors may be used to retrieve "finds" on the ground surface only. Absolutely no digging is permitted in any park, or natural area. Users of metal detectors may retain possessions of their "finds".

Section 2.7 Marshall Mountain Use Permits

The City of Missoula and project partners are embarking on a multi-year project to acquire and develop this unique Open Space project in Missoula. Over the next 18-24 months, project partners will focus on property acquisition, community planning and engagement, and fundraising to acquire and begin development of "Marshall Mountain Park." The Primary Project Partners include the City of Missoula, Missoula County, Five Valleys Land Trust, MTB Missoula, and Izzy Dog, LLC.

Permits for land use will be in place during the interim acquisition and development period, approximately 2 years. All permit fees and donations received during events at Marshall Mountain Park in will reimburse costs associated with management and help fund eventual public acquisition of the land.

- Allowing entities to be permitted as "outfitters" will be decided on a case by case basis depending on the mission/goals of the applicant, history of past use, and submitted use plan.

Section 2.9 Vehicle Permits for Park/Conservation Lands Access and Application Processing for Public Utilities Access.

Private citizens wishing to access private holdings via park or conservation lands may apply for a permit under the Vehicle Use Access Agreement. Permit fee is \$50 along with a minimum damage deposit of \$250, and maximum damage deposit will be determined based on time of year, location, equipment size, length of use, and value of potential impact to public resource; Not all requests will be permitted if damage to property or safety is a concern. Public Service Utilities or their agents that have an easement over or adjacent to park and/or conservation lands will be required to pay a \$100 application review fee, they are not required to pay a permit fee or deposit.

The Department shall regulate all non-park related access and construction activity on or across park property and provide conditions to assure preservation of the public's interest and proper restoration of the parks. All Vehicle Use Access Agreements must be reviewed and approved by the Parks & Recreation Board. The permit fee and deposit will be refunded if the permit is not approved.

Section 2.10 Parking Fees in McCormick Park

Parking fee of up to \$20.00 per vehicle may be charged for vehicles who wish to use McCormick Park Parking Lot to attend Extraordinary Events at Ogren Park Allegiance Field. Use of McCormick Park Parking Lot will not be allowed if event interferes with regular business at Currents, or other events scheduled in McCormick Park. All revenue generated will be used to offset Aquatics operating expense.

Section 3 PROGRAM FEE POLICIES

Program fees determined by review of policy as set by Council and as listed below, determining all direct, indirect and variable costs, taking into consideration alternate funding opportunities such as donations, grants and in-kind products and service, comparing initial fee to area market, including opinions and desired options of participants, and by reassessing fee and program budget following each program.

Section 3.1 Adult Program Fees

The department goal is for adult programs to pay for their direct costs and any readily identifiable indirect costs including but not limited to: maintenance, administration, clerical, equipment, supplies, officials, instructors, awards and marketing. Maintenance fees per game or program session dependent on needs of particular program.

Section 3.2 Youth Program Fees

Ideally, youth programs will recover variable costs such as on site instructors, officials, consumable supplies, awards and t-shirts. Donations, volunteers, or sponsorships may help to defray youth program costs. Many youth/family programs will have a scholarship fund to assist in fee payment for those who cannot afford programs.

Local philanthropists provide scholarships for low-income individuals and families. No child will be turned away from the playground or youth sports programs which are sponsored by the Parks and Recreation because of inability to pay the program fee. Programs excluded from this policy include any program operating as a contracted program through an outside agency or business. These programs will depend on available scholarship funding through the Parks and Recreation and/or the agency contracting its services.

The Missoula County Parks, Trails and Open Space will contribute a \$3,000 scholarship each Fiscal year to be held in the Park Memorial account to be used exclusively for non-city residents residing in Missoula County who request assistance for any programs other than Sports Associations, Team Sports fees, or facility rentals.

Section 3.3 Resident Discount Program

CityCard Program will be administered through the purchase of a Resident Discount Card allowing the card holder up to approximately 20% discount on regular program fees. Exempted from discount are programs provided through contracted services or outside agencies, shelter reservations, ropes course rentals, sports facility rentals, and sports team fees, and non-swimmer fees...

The Missoula County Parks, Trails and Open Space has agreed to contribute \$3,276 each fiscal year for a Sport Associations and Team Sports subsidy covering non city resident use of parks facilities, sports programs, and sport facilities.

Section 3.7 Urban Forestry

The care and maintenance of trees located on the Public Right-of-Way ~~is~~ the responsibility of the adjacent property owner. Care and maintenance includes: maintaining a living landscape, watering, mowing, mulching and deer protection fencing. Trees located on Public Right-of-Ways may be maintained; pruned, treated for pests or removed by a third party tree service under the direction of a licensed and insured contractor with an ISA Certified Arborist on staff, after applying for and receiving a no-cost permit from the Urban Forester or ~~their~~ his/her designee. All costs associated with the hiring of a third party arborist will be incurred by the hiring property owner. Public trees ~~may from time to time be~~ are also maintained ~~or removed~~ by Urban Forestry staff or hired contractor at no cost to the adjacent property owner depending on level of risk and available funding, ~~and tree risk rating~~. City tree care and maintenance activities will only occur when tree condition warrants such activity, or at the request of the adjacent property owner.

The City has several programs to address reforestation, ~~will assist adjacent property owners in planting new trees in the boulevard if the property owner(s):~~

~~1- Sign, date and return a New Tree Care Agreement to the Urban Forestry Office,~~

~~2-1.~~ Some Right-of-Ways qualify for replacement trees after an existing tree has been removed at no cost to the adjacent property owner,

~~3-2.~~ Some Right-of-Ways qualify for in-fill reforestation at no cost to the adjacent owner, but may be on varied

Formatted: Normal, No bullets or numbering

schedule for planting,

3. All new trees requested by the adjacent property owner must have a signed and dated New Tree Care Agreement to the Urban Forestry Office.

4. Missoula's Urban Reforestation Program:

Fee will be \$750 per tree. This fee will pay for purchase price and planting of a tree in the public ROW adjacent to the resident's house, and will also help fund costs associated with installation of a tree in an underserved and/or unforested area of Missoula. A City resident who purchases a tree through Missoula's Urban Reforestation Program can choose their tree from the City's approved street tree list and receive priority planting in the next planting season. For each tree purchased, approximately \$200 (plus any excess funds not needed to reimburse labor for planting costs) will be deposited in a "sponsorship fund" to be used to increase reforestation rates in underserved areas of Missoula. The Sponsorship fund may also be used to purchase post-planting tree care items (hoses, gator bags, etc.) for residents that need financial assistance to insure successful tree establishment.

4. 5. Memorial Tree/Dedication Program:

Fee will be \$1500 for a traditional (new tree with on-site plaque) planting. Fees will support planting and the long-term care for each tree/plaque for many years. In 2022, Urban Forestry plans to review, and update policy related to the City's Memorial Tree Dedication Program.

Note-refer to city tree ordinance-MMC 12.32 and boulevard ordinance –MMC-12.48.

Section 3.8 Developed Parks – Memorial Bench Program

Park Memorial Program includes updated pricing reflecting current bench standard, as specified in the Parks and Recreation Design Manual. This is a change from the 2" x 4" green bench that exists throughout the parks system.

There are two categories, if there is a current bench that needs to be refurbished, or if it is a new installation.

Refurbished existing bench: Fee: \$ 500
Option of ADA pad to site (when accessible): Fee: \$ 105
Included lumber, hardware, supplies, new plaque, and labor.

New dedication bench: all new benches include lumber, hardware, supplies, mounting brackets, concrete site work to include ADA pad, 2 plaques, and labor. Also included is five (5) years of general maintenance.

Dedication bench backless, Series 105 Fee: \$2,000
Dedicated bench with back, Series 11 Fee: \$2,500

- Yard/Garage Sales activities are expressly prohibited in any City owned or managed Park.

Section 4.4 Special Site Concession Fees

Caras Park, by Park Board Policy allows only one concession site and is administered by competitive bid. All "Out to Lunch" and special events and activities held at the Caras Pavilion are administered through the Missoula Downtown Association in agreement with Missoula Parks & Recreation Department.

The Department may also enter into recreation instructor contracts with program providers, businesses or instructors to teach recreation programs. Said recreation programs must be in congruence with the mission of the Department as outlined in the Recreation goals and objectives of the annual budget and strategic plan. Program provider must meet all requirements of the contract. All other contracts require City Council approval as per ordinance.

Section 4.5 Concession Alcohol Sales

Alcohol may be sold or given away at special events in parks that allow alcohol consumption by caterer with a cabaret license, and must provide copy of permit of license from business. Concessionaires or renter selling or issuing the alcohol must have prior written approval from the Parks & Recreation Department. No drinking contests allowed. Only beer and wine allowed in parks. No glass containers. Sellers or renters issuing alcohol are responsible for all permits (including a state permit to sell or give alcohol), identification checks for proper ages, providing safe rides for alcohol consumers, and for park clean up.

Section 4.5a Alcohol In Parks

As per Missoula Municipal Code, Chapter 12, Sections 12.40.040, 12.40.050 & 12.40.060 alcohol possession and consumption is restricted or not allowed in City Parks. See addendum Alcohol in Parks for details of restrictions, fees, and deposits. Subject to change per Missoula Municipal Code update.

Section 4.5b Fort Missoula Regional Park

There will be locations and times where Alcohol permits will be denied depending on event being held. Alcohol and Tobacco Free Zones will include playgrounds, exercise equipment area, and dog park. MPR may choose to do a RFP for Alcohol Sales inside the Softball 5-plex. All Policies for Softball Complex will be announced upon completion.

Section 4.9 Other facilities and activities fees

Any facility or activity not covered in this document will be at the determination of the staff of Parks and Recreation. Such program, facility or fee structure would be included in the next annual review. Caras Park Plaza, Tent and Events Ring scheduled by Missoula Downtown Association and managed in cooperation with Parks and Recreation.

Section 5 Parks and Recreation Operated Concessions

Parks and Recreation shall have exclusivity to sell concessions, items for resale and rentals at aquatics facilities. This includes the parks area surrounding the aquatics centers; Currents Indoor Water park located in McCormick Park, and Splash Montana located in Playfair Park (east of the fields).

Concessions items are priced to recover all costs of concessions operation including overhead in addition to a 15 – 35% profit margin. Rental items priced to recover costs and replace item in 2 to 3 years. Costs include staff, inventory, preparation, accounting, marketing and display.

The intent of concessions, items for resale and rentals is:

- 1) To generate a profit for the operation of facilities such as pools, softball complex or to off-set the cost of a special event.
- 2) To provide a service for the users of facilities or participants of an event.
- 3) Create additional funding to be used for youth scholarships.
- 4) To subsidize cost of entry for general public.

Typical concessions items include coffee, cocoa, tea, soda, candy, fruit and snacks. Crazy Creek Café, Fireline Grill, and Home Plate have full service concession food service menu. Resale items include swim goggles, nose plugs, swim diapers, locks, sun screen, and swim caps.

Section 6 Partner In Parks Policies and Associated Costs

The Partner In Parks Program costs will be determined by analyzing all direct, indirect and variable costs, taking into consideration alternate funding opportunities such as donations, grants and in-kind products and service, comparing initial fee to area market, including opinions and desired options of participants, and by reassessing fee and each program budget annually.
