**12.44.110 Grounds Regulations.** The following rules and regulations are established for the government of the grounds of the Missoula City Cemetery.

**A.** The Missoula City Cemetery has the responsibility for the general care, maintenance, and improvement of the cemetery grounds as specified in the City Cemetery Operations Manual.

**B.** All Missoula City Cemetery graves, veterans grave(s), niches, mausoleum, memorial, cremation locations, or other named Missoula City Cemetery sections are held as interment places for the human dead and for other purposes or acts intrinsic to the operation of a cemetery or as approved by Missoula City Council. Strict observance of the decorum which should characterize such a place is required. Reserved land may be used for other short term uses by the permission of the Missoula City Cemetery Board of Trustees for as long as the Missoula City Cemetery Board of Trustees authorizes. The Missoula City Cemetery Superintendent or designated representative is authorized to refuse admission onto the grounds of any person and to expel those who may violate any provision of this Municipal Code or the cemetery ground rules established by the Missoula City Cemetery Board of Trustees.

**C. General.**

**1.** All vehicles operated within the Missoula City Cemetery grounds must not be driven at a speed exceeding 15 miles per hour.

**2.** Persons accompanied by dogs shall obey the leash laws as outlined in Missoula Municipal Code, Title 6, Chapter 6.07.

**3.** No alcoholic beverages or illegal drugs of any kind are allowed within the Missoula City Cemetery grounds.

**4.** Persons with firearms, whether unconcealed or concealed, are not allowed to bring firearms onto Missoula City Cemetery public property or to attend any assembly of people gathered at the Missoula City Cemetery. The notice must specify the subject of the special meeting and the meeting must be limited to that subject. The notice must also specify the time and place of the meeting.

The council hereby declares that it would have passed this code and each section, subsection, sentence, clause, phrase and words thereof, irrespective of the fact that any one or more sections, subsections, sentences, for any reason this code should be declared invalid or unconstitutional, then the remaining code provisions will be in full force and effect.
