Background and Alternatives Explored: Due to two board member resignations, there have been vacancies on this board since summer of 2022. The Clerk's office has had the vacancies posted several times trying to gain applicants. Two other board member have terms expiring at the end of January 31, 2023 and are not interested in continuing to serve, creating two more vacancies. The Clerk's office has posted these vacancies as well. Elijah Molloy is the only application that has been received, and committee Chair Mike Nugent would like to proceed with interview Mr. Molloy due to the difficulties in recruiting for this board. Mr. Molloy is a Licensed Civil Engineer, satisfying one of the professional requirements of board composition.
