Recommended Motion(s):

I move the City Council: confirm Officers Sean McGregor, Dylan Harris, Anthony Flor and Austin Bennett.

Timeline:

City Council consent agenda: January 23, 2023

Background:

Police Officers are hired as probationary officers and are on probation for a period of one year. Their training includes 12 weeks at the Montana Law Enforcement Academy (unless previously academy-certified) and they are then in our department's Field Training Officer program for up to 14 weeks. After the six-month training period, officers are "on their own" responding to calls, etc.

Once they have satisfactorily completed the academy, FTO program and six additional months of probationary status, they are referred to City Council for confirmation.
