Public Hearing (if required): Click or tap here to enter text.

Deadline: Click or tap here to enter text.

Background and Alternatives Explored: The City has determined to undertake certain improvements to the System including installation of an infiltration gallery near Caras Park in the City and related improvements and has applied to the DNRC for a loan from the Revolving Fund to enable the Borrower to finance, refinance, or reimburse itself for a portion of the costs of the 2021A Project (as hereinafter defined) which will carry out the purposes of the Clean Water Act.

Financial Implications: The storm water utility has budgeted for this project in the Community Investment Program approved by City Council on August 23, 2021. Operating implications are debt service beginning on July 1, 2022 and concluding on January 1, 2042.
