What is your interest in serving on this board, commission, or committee?

I have a personal interest in serving on this board. I frequently visit this cemetery as a number of my family members are interred there. I appreciate the care the staff gives in maintaining such a large cemetery and their receptiveness to visitors' needs. I would like to be a part of helping in the success of the City cemetery in achieving its goals and in meeting the needs of the public in all aspects.

Do you have any special knowledge, interest, or experience that would qualify you for a position on this board, commission, or committee?

In reading Article II. Cemetery Board of Trustees, I believe I have the interest, and possess the essential skills and experience that would be of value to the board. My

most recent 14 years' experience as Chief Deputy Treasurer for Missoula County has given me direct hands on experience with budgets, all aspects of personnel in hiring and management, oversight of daily activities related to the collection of taxes, and deposits of public funds.
